

The Fabulous Thunderbirds – Trip Giveaway

Can you name that “FABULOUS” JACK Artist?

- Contestants must print out an entry form from the JACK website www.1039jackfm.com and bring it to the JACK table at the Fabulous Thunderbirds concert before 7PM.
- Forms will be drawn at random and 15 contestants will be invited on stage to play “name that FABULOUS JACK artist” during the set change.
- JACK PD John Sellars will get together 100 or so 10 second song clips that can be played over the mains at the concert.
- Contestants will listen to a sound clip played over the mains when it is their turn, and will be given a few seconds to name the correct artist. (In the style of “Name that Tune”)
- If a contestant cannot correctly name the artist, then they will be eliminated.
- The game will continue until one contestant is left standing. That contestant will win a vacation to the Rock and Roll Hall of Fame in Columbus, Ohio. Every contestant invited on stage will get a JACK FM T-shirt.
- This should take about 15 minutes of stage time.
